Dear Mariko!

20.12.2010

That was a pleasant surprise, when the postman delivered that lovely parcel from Japan to me. I had to look twice to consider it coming from choir Andante of Showa Mura. Many, many thanks to you all. It recalls the wonderful days we had last December. As Meller Madrigalchor doesn't meet again in 2010, I'll take it with me when we shall have our next practice on January 10th. I'm sure they all will be surprised, too.

This month we got plenty of snow in Germany, much more than last year. School had to be cancelled for four days. When we had our "Grünkohlessen" on Monday, December 13th, there was as much snow that Urs himself and the other guys from Osnabrück could not come to Melle.

We had a very picturesque concert in the Chapel of St. Matthew on December 5th, especially the Christmas Cantata from Argentina was a real highlight. I've got no pictures up to now, but you can have a glance at the report in the newspaper at

<http://www.noz.de/lokales/49678478/weihnachten-international>

As last year, the Christmas Market at Melle has already closed, but I can show you a nice photo of there. And the other day I was to the little town of Emden on the North Sea, and they had a nice Christmas Market around the old harbour.. Have a look!

Would you please tell the people of choir Andante how happy we are having received that unexpected Christmas gifts. I wish you a merry Christmas and a happy New Year.

From Melle with love

Lothar

Dear Lothar,

20.12.2010

Thank you for your kind e-mail and nice photos of Christmas market ! It recalls me those unforgettable days of German-Japanese Choirs exchanging friendship for the first time.

The time flies like an arrow, indeed, as one year has already passed! Owing to all of you, we still keep a wonderful wonderful memory of our Christmas concerts, last year ! Thank you again, for all that you have had done to us

during our stay in your country.

I am so glad to hear that the package of Japanese sweets arrived safely and that made you a pleasant surprise. (The same package will come to Karl-Heinz and Lechitingen Maenner-chor member through Kiyomi, well of course to Urs, too !) I'll tell your message to all member of Choir Andante who wanted to show their thanks to all the members of your choir, once again. So please tell each of them how much Choir Andante appreciated their warm hospitality and their kindness !

Wishing all of you a merry Christmas and a happy New Year. From Tokyo with love,
Mariko

Dear Mariko,

3.1.2011

I had not yet recovered of that big surprise the nice Christmas parcel of choir Andante gave to me, when just a bigger surprise was waiting for me. Your parcel with that wonderful DVDs reached me on the last but one day of 2010. So I could give first four DVDs to some choir members when we had a dinner party on that very day. The others I shall pass to the members of Madrigalchor next week.

I have played the DVD several times now and every time I like it more. It is a really fine reminder of our wonderful time. Günter and whoever else did a very good job in arranging that video, so everyone will be happy to look at it. I do like it as much, that I decided to put part of it on our homepage at

http://lotharmelching.de/homepage_chor/html/c_horarbeit_letzemeldung.htm

So we all thank you very much for that marvellous gift. Have a good year 2011 and may all your wishes come true. From Melle with love
Lothar

Dear Lothar,

Happy new year ! I am so glad to hear from you that my Christmas parcel arrived safely (but too late !) and that the DVD pleased you so. I hope that every member of Madrigalchor would like it, too.

Wishing you every happiness and health for 2011, from Tokyo with Love,
Mariko
